The Arc of Sedgwick County Membership Benefits

- You are eligible to participate in The Arc's premiere programs
- You will receive a copy of The Arc's Annual Report
- You are eligible to serve on The Arc's Committees and Board of Directors
- Vote to elect Board of Directors and on issues advertised for membership meetings

When you become a member of The Arc of Sedgwick County, you will also become a member of The Arc of the United States. Benefits of membership to The Arc of the U.S. are:

Information – receive a quarterly newsletter, bi-monthly e-newsletter, a weekly roundup of major events on Capitol Hill and up-to-the minute information about The Arc's advocacy activities, programs and events.

Resources and Support – we will help you connect with a local chapter for services and supports and you can take advantage of information and resources available on thearc.org including research, fact sheets, national programs such as Autism NOW; The National Resource and Information Center and the National Center on Criminal Justice and Disability, and public policy information.

Services and Programs - access a portfolio of services and programs developed with you in mind.

- Mercer Consumer, offering quality protection plans from health coverage to affordable life and accidental death and dismemberment insurance.
- Liberty Mutual, providing a group insurance program that comes with special savings and benefits on auto, home and renters insurance.

Community – join an active online community and our social media channels, attend events hosted by The Arc and get involved with your local chapter. You can also join The Arc's members-only National Sibling Council and National Council of Self-Advocates.

Discounts – receive discounted registration to annual national events such as the Disability Policy Seminar and the National Convention.

Rewards – Get free subscriptions to Apostrophe Magazine and ABILITY Magazine.
